## Good Place Holdings Is a 2022 NorthCoast 99 Award Winner

**STOW, Ohio, Oct. 10, 2022** – Good Place Holdings has been named a 2022 NorthCoast 99 award winner by ERC, the Employers Resource Council. The NorthCoast 99 award honors 99 great Northeast Ohio workplaces for top talent. This is the first time that Good Place Holdings has received the prestigious NorthCoast 99 award.

“We’re delighted to be honored with this award, as that shows alignment with our biblically derived Good Place principles: valuing people over surplus, building up more Good Places in the community, and being economically regenerative to accomplish the first two aims. Our work at GPH is meaningful and purpose-driven,” said Emily Nordick, HR Director at Good Place Holdings.

NorthCoast 99 winners participated in a rigorous application process that asked for detailed information on how their organization addresses top-performer attraction, development, and retention in the areas of organizational strategy, policies, and benefits; talent attraction, acquisition, and onboarding; employee well-being; employee engagement and talent development; total rewards; and diversity, equity, and inclusion.

“More than a business award or event, NorthCoast 99 is a yearlong research program ERC established to help make our region a long-term destination of choice for companies and high-performing individuals,” said Samantha Marx, ERC’s Director of Strategic Projects, who oversees the NorthCoast 99 program. “The data from this program helps employers adapt their policies and practices to attract and retain top-notch talent.”

The 2022 NorthCoast 99 awards program is sponsored by Anthem Blue Cross and Blue Shield, CareerCurve, Cleveland Magazine, ERHealth, Fifth Third Bank, Gino’s Awards, Maloney + Novotny; Meyers, Roman, Friedberg & Lewis, Oswald Companies, Staffing Solutions Enterprises, UKG, and Wayfind Creative.
